Pinhole Perforator

Size: 12" Lg x 2.5" W x 4" H.

Price with single wheel and plastic guard (above right): \$195.00

Perforator is positioned in the space between the film roll and the film separator bar.

Film is threaded under the pin wheel and above the base of the perforator. This enables the perforator to perforate both top and bottom layers of film before the package is inserted into the film.
